Experienced Front-End Developer with 1 year of expertise in JavaScript. Proficient in React. Collaborative team player with a keen eye for design. Eager to contribute to innovative projects.

EXPERIENCE

REMOTE WORK 01/2024 - Present
ELPHA TECH

I am currently working remotely as a web developer, where I am responsible for maintaining and updating the website. My role involves ensuring the website's functionality, implementing updates, and making improvements to enhance user experience. This position allows me to apply my web development skills and stay current with industry best practices while contributing to the company's online presence.

Freelancer 08/2023 - Present
Fiverr & Upwork

- Completed 12 Jobs on Upwork till now.
- Level 1 on Fiverr, with completion of 15+ Orders.

INTERN FRONT-END DEVELOPER (REACT JS, SASS, BOOTSTRAP) 07/2023 - 12/2023
DIGITAL BOLT ↗

I was a web developer at Digital Bolt from July to December 2023, focusing on front-end development. I used HTML, CSS, SCSS, Bootstrap, JavaScript ES6, React, Redux, and Next.js to build and enhance user interfaces and dynamic web applications. This role significantly improved my skills in modern web development frameworks and tools.

Internie 05/2023 - 06/2023
IBRAHIM FIBRES LIMITED ↗

I completed an internship at Ibrahim Fibres from May to June 2023, where I spent four weeks in the IT department and two weeks in the Marketing department. In IT, I assisted with network management, troubleshooting, and software implementation. In Marketing, I participated in market research, strategy development, and promotional campaigns.
